

Letter of Authorization

We are pleased to announce that, Fluid Control Mexico is one of our authorized Stockist and Distributor for our Flow line products in Mexico.

Please contact them for your requirements of Hammer Unions, Swivel Joints, Pup Joints and Integral Union Cross-over.

We hope this dealership arrangement will enhance our global supply chain presence as well as after sales support in Mexico.

Thank you for the continuous support and we trust that Fluid Control Mexico will deliver the same service standard if not better.

This letter is presently valid until December 31, 2019 and will be extended for further period with mutual consent.

This letter does not legally bind or authorize Fluid Control Mexico to represent Sara and is just for the purpose of customer support.
